Kyoto University (KU) is one of the very top universities of Japan with ten (10) Nobel Laureates in our alumni. We, KU, recently started the Kyoto iUP to provide our world top class education to young talents from all over the world.

International students from Singapore can definitely benefit from this program which provides 6-month preparatory education and 4-year bachelor degree course of the various majors including Management, Science, Engineering and so on.

The program also offers generous financial aids: monthly scholarship 120,000 JPY (About 1600 SGD per month) and full tuition exemption for 4.5-year.
